

05/17/2022

Dear Sinai Residents, Employees, Families, Friends, and Doctors;

I hope this letter finds you Healthy & Safe!

To ensure the safety of our residents and employees we are continuing Covid-19 testing of unvaccinated Employees and unvaccinated Residents as well as those that are out in the community & potentially exposed and all those that are symptomatic. We ask that everyone remains vigilant with PPE & mask usage, and we continuously encourage safe social distancing.

***The facility currently has 0 Residents and 1 employee that currently positive for covid-19. Testing of all those that were in contact is currently taking place at time as we investigate if there are any further positive cases.**

Covid-19 Vaccine Clinics at Sinai Post Acute have been taking place continuously since 12/30/2020. Our pharmacy provider is now providing vaccination clinics for the Pfizer Vaccine. **The Next Scheduled Date is 05/17/2022- Booster Vaccinations are available! We continue to encourage all Residents, and Families to get vaccinated & boosters at this time!**

For questions in regards to visitation please contact Ms. Marie Valentine from 8:30am-3:30pm at 973-483-6800 ext 143. ** At this time recommended Visitation hours are 8am – 8pm for a 2 -3 hour visit. All Visitors are required to come with appropriate PPE- surgical mask is required at this time. Visitors are to come with N95 mask, Goggles / face shield if visiting a resident on an isolated unit. **Any visitor that has tested positive within the last 7 days or with any symptoms must refrain from visiting at this time!**

For all urgent inquiries, please call us 24/7 at 973-483-6800 or email us at contact@sinaipostacute.com.

** Please note the Emergency Outbreak Plan is posted to the Sinai Website for review Please remember to check our Website for updates that are posted regularly.
