A MESSAGE FROM OUR ADMINISTRATOR

Hello, and Happy May!

Things are looking up at Sinai as we begin looking forward to summertime! Our vaccination rates continue to increase, and we encourage the entire Sinai family to get vaccinated to help bring about the end of the COVID-19 pandemic.

We've got some exciting activities planned for the future, and we can't wait to share them all with you! Keep reading to meet some of our amazing team members, see how much fun we had celebrating Easter, and more!

Stay safe, and stay healthy!

Golde Bondy, LNHA

Administrator

MEET SOME OF THE MEMBERS OF OUR TEAM

DURING NATIONAL OCCUPATIONAL THERAPY MONTH,
WE CELEBRATED OUR AMAZING OTS!

RAYMOND MENDOZA-BUENO

OCCUPATIONAL THERAPIST / REHAB DIRECTOR

Born in the Dominican Republic, Raymond came to the US in 2005. He learned about occupational therapy while working as a rehab aide. At that time, he was enrolled in the nursing program at Hudson County Community College (HCCC). As a rehab aide, he had several opportunities to witness a dependent patient become independent with all activities of daily living through the process of occupational therapy. At that moment, he realized that he wanted to be part of the rehab process. He graduated from Eastwick College with an AAS in OTA, has been an OT for a few years, and loves what he does.

Happy Occupational Therapy Month, Raymond! We are so proud to have you on our team!

KATE ALONZO

OCCUPATIONAL THERAPIST

Kate grew up in a household of healthcare professionals - registered nurses, nurse practitioners, physical therapists, dentists, and molecular scientists - so she knew that she was meant to be a healthcare professional as well. Unsure where in the healthcare field to land, she jumped from nursing to speech-language pathology and more during her first year of college. Since her aunt is a physical therapist, she let her observe at one of the facilities she used to work in. One of the occupational therapists she was shadowing introduced her to OT: where science and creativity come together to help someone regain something they lost, which has dramatically affected their lives. After observing at the rehabilitation center, she realized that this was her calling. She graduated from Eastwick College with an Associate's in OTA and has worked as an OT for almost a year and a half. Happy Occupational Therapy Month, Kate! We are thrilled to have you on our team!

WHAT'S HAPPENING AROUND SINAI

We had a blast celebrating Easter with a hoppin' party!

Bingo, we have a winner! We love playing this classic game with our residents.

WHAT'S HAPPENING

We celebrated Administrative Professionals Day by honoring our amazing HR Director, Sharon Hurst, and Staffing Coordinator, LaKinda King. Thank you for all that you do!
